Internationally, Horizon will act in three areas:

- "Horizon – International Services"

- "Horizon – International SME"

- "Horizon – International Tender"
Auchan Retail and Casino Group will be able to launch invitations to tender for their general expenses and their non-differentiating basic private-label brands.

These platforms will be based in Geneva. Other partners may join these alliances shortly.

In France, Horizon will act in three areas:

- “Horizon – sectors”

2 - 3

Auchan Retail, Casino Group and Schiever will develop common agricultural sectors in line with the commitment made during the Etats Généraux de l’Alimentation (France’s National Food Conference). The first four sectors will be announced in the coming weeks.

In France, these ‘next generation’ platforms commit to:

- Present their negotiating objectives at a very early stage;
- Install a negotiation monitoring committee, to which will be associated provider representatives;
- Finalize the annual negotiations gradually, mainly one month before the deadline which is in March the 1st;
- Systemize the talks about the subjects of nutrition and health;
- Develop multi-annual agreements;
- Ensure guarantee of fair treatment to agricultural producers.

In building Horizon internationally and in France, Auchan Retail, Casino Group, METRO and Schiever confirm their common vision and culture when it comes to their relationship with suppliers.

Based on that, these agreements will be respectful of everyone’s interest: customers, farmers and manufacturers.

Each party will continue to be independently responsible for its own commercial strategies and sales policies, which include building product ranges, defining pricing and promotional activities.

Relevant competition authorities will be approached for approval prior to going to market. A submission has been made to the competition authority in France immediately upon signing of the agreements for France on 18 May.
